

Off Cycle Internship Programme 2023

Sales & Marketing Business Singapore

Who we are

We've been helping clients plan and invest for their futures for over 50 years. From more than 25 locations around the world, we provide investment services and retirement expertise to everyone from central banks to private individuals. We're known for acting with integrity and thinking for the long-term. And across our organisation, we foster a welcoming, caring and inclusive culture where people feel respected, trusted and able to be themselves.

The team you'll join

The Singapore team comprises a Sales group and a Marketing group. The Sales group is responsible for new sales and asset retention of Fidelity's entire Singapore client base, e.g. institutions, banks, insurance companies etc. The Marketing and Corporate Communication team is responsible for Fidelity's brand and all commercial/corporate activities. In addition to serving clients in Singapore, the team is responsible for business development in South East Asia.

What you'll be doing

On our 6-month programme, our interns will work on cross functional projects in the teams and you'll be exposed to the region and the different business landscapes. A graduate offer will be extended if you complete the internship successfully and you can start the full-time job upon graduation.

The difference you'll make

You'll contribute to positive, meaningful work that makes a difference to our clients. You'll help them invest and plan for the futures they want. You'll provide invaluable support to your team, too.

How you'll be supported

You'll start with a welcome and an orientation, where you'll meet your fellow interns and find out all about us and our work. Once the programme begins, you'll learn every day – from the experts around you and through tackling real projects. Our focus will be on supporting you to gain experience and discover what kind of future you could build in our industry.

What we're looking for

It's who you are that matters here, rather than what you studied. We look for interns who are great in team, eager to learn and ready to take on a challenge. A genuine curiosity about sales and marketing is vital, as is a lively interest in our work and our industry. And, as we're an international organisation, we'll need you to speak English.

How to apply

This programme is open to students in the penultimate year of undergraduate or master's programme (Class of 2024 preferred) who is available from January to July 2023. As part of our commitment to inclusion, we are a disability-friendly company. As such, we would welcome a conversation with you if you feel you might benefit from any reasonable adjustments to perform to the best of your ability during the recruitment process and beyond. For any enquiries regarding your application, you can reach us at earlycareersatfidelity@fil.com.

Our application window closes on Friday, 30 September 2022 at 11:59pm SGT. Please note that there are two online assessments which you'll need to complete by the time the window closes. They both take around 40 minutes to complete, so make sure you give yourself plenty of time.
