

Job Description

Title: Equity Research Analyst - Global MBA Summer Intern

Department: Equity Research

Location: Hong Kong, London (United Kingdom), Mumbai (India), Singapore, Tokyo (Japan), Toronto (Canada),

Position Overview

The Summer Intern role mirrors the experience of a full-time Equity Analyst, conducting fundamental research to make buy and sell recommendations on stocks. The Intern will be assigned a discrete industry sector and group of stocks (approximately 3-8) to analyse. The Intern will have full and sole responsibility for those stocks and access to all resources available to a full-time Analyst. The Intern will also have access to Equity Analysts covering related sectors and will be assigned a Portfolio Manager mentor. The Summer Intern will also have regular communication with a Director in Equities. Training resources are available as required.

At the end of the internship, the Intern will present his/her findings and provide investment recommendations to our Portfolio Managers and Analysts. A full-time offer will be extended to those candidates who demonstrate the aptitude, passion and desire it takes to become a successful full-time Equity Analyst.

Key Responsibilities

- Deeply analyse a sector and group of companies, conducting management meetings and proprietary research, building industry and financial models, leveraging third party expertise, and much more.
- Develop differentiated insights on sector and stocks. Identify key drivers and generate high-conviction conclusions on the outcome of each driver and resulting impact on stock performance.
- Clearly articulate your views in written notes and slides, presenting final conclusions to our Equity Analysts and Portfolio Managers.

Experience and Qualifications Required

- 1st year MBA candidate.
- Candidates with superior undergraduate academic records from all majors are encouraged to apply.
- Demonstrated enthusiasm for investment management and equities. Previous work experience in finance is not required.
- Highly self-motivated, thrive when given autonomy
- Strong work ethic and desire to make an impact
- Excellent analytical skills; able to think logically, critically & quickly
- Intellectually curious
- Team player with a positive attitude
- Strong written and verbal communication skills
- Fluent spoken and written English
